

Let the Star guide you...

STAR PRINCESS®
HAMILTON

...to a new way of encountering the world

Life isn't a list to be checked off. It's an experience meant to be felt. Introducing Star Princess®, our newest ship, where each day brings the possibility for wonder, joy – and, yes, love – and every journey is written in the stars.

Awe in every direction

Stepping into the heart of our ship is like traveling to a whole new world: yours. The glass sphere that surrounds the Piazza offers more than dazzling views. It makes you feel connected to every destination you sail to. This is the spot to shop, sip coffee, sway to the beat or simply watch the world go by.

The joy of that first bite

Good food is one of life's greatest pleasures.
Shared with your favorite people, meals become
moments and moments become memories.

Love by Britto

This art-inspired boutique restaurant serves
up artist Romero Britto's joyful designs and
crafted dishes that taste as good as they look.

The Butcher's Block by Dario

Carnivores, this one's for you. Savor renowned Chef Cecchini's signature cuts of beef along with tasty, family-style sides.

The Catch by Rudi

The bounty of the sea, served every way from broils and bakes to bisques, in this restaurant by Chef Rudi Sodamin, head of culinary arts.

Umai Teppanyaki

Forget dinner and a show. Here, dinner IS a show – with tasty teppan cuisine and culinary theatrics taking center stage.

Signature favorites

We've reimagined guest go-tos, like Crown GrillSM steakhouse and Sabatini'sSM Italian Trattoria, so they shine even more.

Where no-frills meets flavors galore

The Eatery

Travel the world taste-wise without leaving the ship. Global cuisine made with heart with recipes brought from home, plus comfort classics you love.

The Promenade

Enjoy a little al fresco dining just outside the Eatery featuring comfort-food faves and close-up views of the waves.

Lido Deck delights

Pair tacos, hot dogs, ice cream and what's been called the best pizza at sea with pool time on our top deck.

Americana Diner

Some of your fondest memories have taken place in a diner just like this one. Burgers, fries, shakes and a little slice of easygoing American life.

The sip that sets a story in motion

Tales and ales go hand in hand. Whatever your drink of choice, our bars provide the spellbinding settings, as well as libations, that bring people together. Good times.

Spellbound by Magic Castle

Created in partnership with Hollywood's iconic Magic Castle™, this bar brings the magic on board with themed rooms, themed cocktails and performances from top magicians.

O'Malley's Irish Pub

Everything a tavern needs: pub food and crowd-pleasing live music. Like a little corner of Dublin on board.

Crooners

Step into another time in a piano bar that understands that nostalgia is served best with a twist (of lime) and sing-along standards.

Cascade Bar

Sip your favorite drink while having a moment of zen by the waterfall this bar is named for. Conveniently located near The Dome.

That thrill before the show begins

There's always that moment – before the curtain rises, the first note is played, the first joke told – where the audience holds their breath, waiting for something wonderful. Our entertainment spaces are all about flexibility and the anticipation that comes when anything can happen.

Princess Arena

This shape-shifting stage can play it traditional or reconfigure so the audience surrounds the performers.

The Dome

Like a superhero with a secret identity: pool by day, stage by night. Go for the relaxation; stay for the show.
